## Get Ready for Next Year

Anchorfest 2010 is in the history books and goes down as a great success! Many hours of practice and preparation went into this event and it truly paid off on Saturday night October 23rd.

There were around 450 people in attendance from all over South Georgia as far away as Columbus, Georgia. We had 20 different acts from various churches from both Dougherty and Lee Counties and they presented a night of wonderful entertainment

that honored God and blessed every person in attendance.

This event helped to not only raise awareness about the Anchorage, but also helped to provide a financial boost with just over \$10,000.00 being collected .

I want to personally say thank you to every person who helped to make this event a success. There were so many volunteers who gave so many hours of time, groups and individuals who practiced,

board members who worked overtime and certainly each of you who supported the event financially in many different ways. We look forward to hosting this event once

### Finishing Strong in 2010...

**Share your blessing!**

Give monthly to make a difference.

I can't think of a better ministry to serve in and to see so many lives impacted in such a positive way. I will soon complete 7 years of service to the Anchorage and have been so moved by so many

during those years. Anchorfest 2010 certainly was a major help to our 2010 budget, but we are still behind and need your help to finish this year strong. We simply want to encourage everyone to

prayerfully consider giving like you have never given to help the Anchorage ministry finish strong in 2010. Again, thanks so much for all your support.

*Thank you*

Visit our friends at the Brown Bean Café located at 2507 Dawson Road inside the NW Library. Thanks to the Brown Bean for their support of the Anchorage!

The Anchorage would like to express our sincere appreciation to First Baptist of Albany for hosting Anchorfest 2010! Thanks so much to your staff for all their hard work and your church family for being such wonderful hosts.

God bless you all!

## Deerfield Windsor...our Knights in shining armor!

Coach Graham Lowe, Kenny Phillips—Anchorage Director, along with several French club students and Anchorage clients.

The French Club of Deerfield Windsor, under the guidance of Coach Graham Lowe, made a significant donation of needed items to the ministry of the Anchorage recently. Those items included sugar, toilet paper and paper towels that filled the bed of a pick-up truck

The French Club was started a year ago by a small class of Juniors who were in their third year of French. The French Club strives to help their school and community in any way that can best meet the needs. Last year, they raised over \$300 dollars for the American Red Cross and raised money for the Salvation Army by ringing bells at the Albany Mall. They also set up lunches for the school custodial staff and handed out flowers to all of the teachers for Teacher Appreciation Day. What a great group to meet the needs of so many.

The Anchorage salutes the French Club of Deerfield Windsor and says thanks so much for your support!

I would rather have it said, 'He lived usefully,' than, 'He died rich.'  
Benjamin Franklin

Never doubt that a small group of thoughtful, committed citizens can change the world. Indeed, it is the only thing that ever has.
