

Our Mission Statement

We provide Christ-centered treatment services to men with substance addictions through a residential program incorporating the 12-Step recovery program with emphasis on the redemptive and transformational power of Jesus Christ to restore men to wholeness.

But for me it is good to be near God: I have made the Lord GOD my refuge, that I may tell of all your works.

PSALM 73:28

From the Directors Desk

When Aaron arrived at The Anchorage, he was at the lowest point in his life. He dropped out of high school. He had a seven-year addiction to Methamphetamines. He tried treatment twice and relapsed shortly after leaving both programs. He concluded that he was hopelessly addicted and would probably die of an overdose. His mother died six months ago, he had two children with his girlfriend and the children had been removed from their home by the Department of Family and Children Services. He couldn't hold a job and he only came to the Anchorage because his girlfriend begged him.

We would probably all agree his prospects for a bright future look grim. That is where God's grace enters the picture. God specializes in lost causes: from Moses to King David, the Apostle Paul, and the Samaritan woman at the well. As God told the Apostle Paul, "My grace is sufficient for you." At the Anchorage we believe God's grace is sufficient for all men and women. Hearing the gospel of Jesus Christ is the first step toward receiving God's grace.

Aaron was exposed to the scriptures while attending chapel services and classes at the Anchorage. He began to have a glimmer of hope and believed that his life would be different. He invested himself in the Bible studies and his treatment. All of this resulted in him professing Christ as his Lord and Savior and led to him being baptized in our chapel. In our Aftercare program he has worked a fulltime job and is making good progress in his faith and treatment. He has a long way to go but now he is taking it "one day at a time" and trusting God.

Go home to your family and tell them how much the Lord has done for you, and how he has had mercy on you.

MARK 5:19

What a year 2022 has been! It has been a year of blessings and accomplishments. To God be the glory! Our finances are improved. We have preached the gospel of Jesus Christ to several hundred men and baptized 49 this year. We remodeled the classroom, built and equipped a GED Center and recreation room. The grounds have been beautifully landscaped. We paved and sealed all parking lots and drives. All the buildings have been painted. The Anchorage looks beautiful!

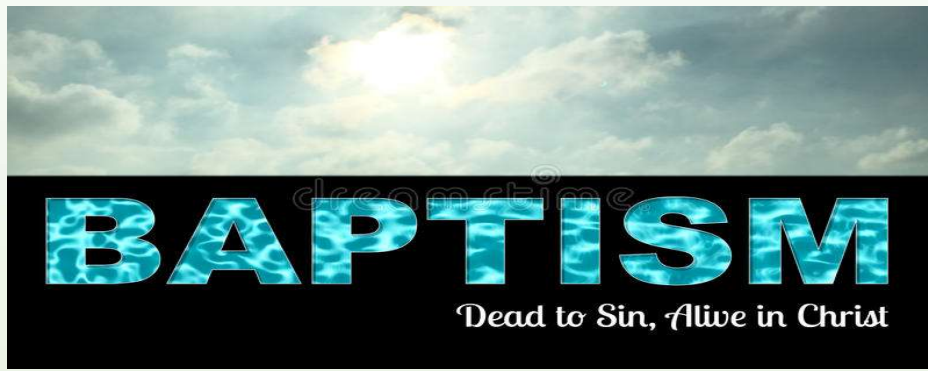

News about the women's home:

We anticipate receiving the deed for the property for the women's home in January. We have been working on plans for a home for 40 women. 2023 will be an exciting year at the anchorage!

It could not happen without your love, prayers and support for the Anchorage!

God Bless You!

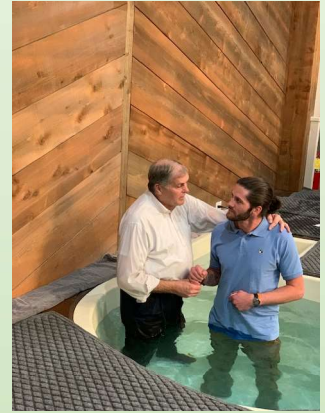

Bob

BAPTISM

Dead to Sin, Alive in Christ

The final baptism of 2022 was held in the Ginny Hayman Memorial Chapel on December 11th, with 12 men being baptized. We praise God for his work in these men's lives.

Baptism is the Sacrament of Faith and is offered to all who have faith in Jesus

Our community never ceases to amaze us with donations and the way they share the love of Christ with our men.
